

Writable PD - Presented by Writable Developers and Staff
Nov. 4, 2022 ~ 1:00-2:00 PM
Virtual Training

Writable has been purchased by the district with licenses available for all secondary students
Questions/RSVP: brandee.bergum@jordandistrict.org

This is an optional PD for **all** secondary teachers to learn more about Writable and how it can be integrated into any class in order to strengthen students' writing. Below is a description of the PD:

Getting Started: In this initial session, participants will learn how Writable fits within their core curriculum and become prepped and ready to begin using the program as they continue through the learning path.

Learning Objectives:

- Explore the key features and uses for Writable
- Identify how Writable fits within your core instruction
- Prepare for next steps on your learning path

Essential Question: What do I need to know to get started with Writable and how will I continue learning?
