Writable PD - Presented by Writable Developers and Staff
Sept. 22, 2023 ~ 1:00-3:00 PM
Virtual Training
**Register in JPLS:**
**JPLS Course #101966**
**Section #127761**
*Writable has been purchased by the district with licenses available for all secondary students*

This is an optional PD for **all** secondary teachers to learn more about Writable and how it can be integrated into any class in order to strengthen students' writing. Below is a description of the PD:

**Getting Started:** In this initial session, participants will learn how Writable fits within their core curriculum and become prepped and ready to begin using the program as they continue through the learning path.

**Learning Objectives:**
- Explore the key features and uses for Writable, including the new AI Feedback feature
- Identify how Writable fits within your core instruction
- Learn how to incorporate Writable into both informal and formal writing assignments

**Essential Question:** What do I need to know to get started with Writable and how will I continue learning?
