

EMPOWERING PARENTS

A CONFERENCE ON WELLBEING

Jordan School District's Health and Wellness Department presents a free, conference-style event that includes breakout sessions and information booths. This event will bring together professionals and education experts in the mental health field to share their insight, knowledge, and research with parents in our community. We want JSD parents to be well equipped to support their children's wellbeing.

Wednesday, April 10th

5:30pm - 8pm

Riverton High School

12476 South 2700 West
