Dear Teachers,

As Jordan School District Board of Education members, we want to take a moment to express our sincere appreciation and admiration for everything you do. We are constantly impressed by your ingenuity, your resilience, your passion, and your strength.

As teachers, you face each day driven by the belief that you can make a difference in the life of a young person. You cultivate curiosity while instilling core values like kindness, compassion, patience, understanding, and teamwork.

You show each student that they matter, that they have potential, that they are cared for, and that they have people who will support them, just as we want to support you.

We know your job is not always easy and the responsibilities placed on you can be overwhelming at times, but you rise to the challenge every single day. Please know we, as Board members, are here for you and are always available to listen, to offer understanding and support.

Thank you, teachers, for giving students your all and for changing lives, making a difference in the communities we serve.

We are very proud to serve as your Board of Education and we are honored to celebrate you today and every day.
