

When Seconds count, your training may be the difference. ACT NOW and get trained!

Matt Birch is the owner and lead instructor of Advanced CPR Training. Matt began teaching in 1997 and in 1999 began a career as a Firefighter/Paramedic, Medical Flight Coordinator, and ER Tech. For 27 years, we have only employed vetted medical and education professionals, to provide one of the most entertaining and comprehensive training and certification experiences you will find.

Courses offered for schools

- ♥ The K-12 course has been designed to provide crucial life-saving information and skills in a fun, stress free environment. Our goal is for your students to leave feeling more comfortable and prepared to tackle most emergency situations.
(certification available for a minimal cost)
- ♥ Our First-Aid, CPR, & AED certification course is perfect to exceed State recommendations for Faculty, Coaches, and Preschool student teachers.
- ♥ Our BLS class is designed to certify Tech and sports med students to be prepared for careers in the health and medical industry.

WE ARE CURRENTLY SCHEDULED FOR THE 2024-2025 SCHOOL YEAR
